Dear Penny

On behalf of Vision Australia, we would like to sincerely thank you for your support throughout 2009.

In addition to providing an excellent environment for meeting local business, government and community networks, you also provided vital introductions.

Through these introductions we have managed to secure a commitment from Fisher & Paykel, for the provision of appliances for our *Life Skills* kitchen at the new Coorparoo Centre.

Additionally, Balmoral State High School, at your instruction, has completed fundraising activities on our behalf in 2009, with an aim to provide further assistance in 2010.

We were also the recipients of all raffles and monies collected by the South East Chamber of Commerce at various events, including a can collection for our clients.

We are greatly appreciative of your support and assistance.

Sincerely

Margaret Scott
